

15% anti-loss tradable
bonus activity

1. Through the latest activity page in the background, participate in the 15% anti-loss and free gift activity, with the minimum investment of 500 dollars to participate
2. All customers who start a standard STD trading account at Macro and register to deposit during the event will have the opportunity to receive bonuses and can also participate in the gift-giving event for new account deposits (internal transfers are not supported)
3. The bonus will be deposited into your trading account immediately after the deposit is successful in the form of credit
4. Bonus funds can protect against losses and transactions
5. Withdrawal during the event (within the funds) will be deemed as giving up the event qualification by default, and the full bonus will be deducted.
6. Use the examples in the table below as a quick reference guide to understand how the 15% bonus amount will be applied to your trading account

Your deposit	Bonus calculation	Your bonus	Trading fund balance
\$500	15% of \$500	USD 75	USD 575
\$1000	15% of \$1,000	USD 150	\$1,150
\$2000	15% of \$2,000	USD 300	\$2,300
And so on	And so on	And so on	And so on
\$5000	15% of \$5,000	USD 750	\$5,750

Maximum bonus amount: \$750

7. Attention! Platform arbitrage is prohibited, two-way orders are strictly prohibited, and risk hedging transactions are strictly prohibited. If any violation is found, the platform will deduct your profit and withhold your principal!
8. One identity can only participate in the event with one account, and it is prohibited to participate in the event with multiple identities or multiple accounts.
9. The use of bonus funds cannot violate the restrictions of the "Abnormal Trading Determination Rules". The order holding time must not be less than 300 seconds. There will be a leverage reduction based on the weekend, which will be determined by email.
10. Promotion period is from October 1, 2024 to December 31, 2024 24:00 GMT

Special Instructions

After the expiration of the donation activity, the platform will automatically cancel the amount of the donation, which may lead to the risk of your trading account position being forced to liquidation (blasting warehouse), so please pay attention to your position and position, because the losses that may be caused to you have nothing to do with our company.

This activity is limited to customers of Chinese mainland, China Taiwan, China Hong Kong.

Macro reserves the right of final interpretation for this event.
